Yesterday

Yesterday was a nice day. I was on a small trip with my family. We were at the park for one hour.

My mother was surprised because finally we weren't at home. My father was eating a delicious chocolate ice cream. My sister was happy and playing with a dog and my grandpa was bored because he stayed at home.

The weather was great, it was warm and sunny. The park was green and clean. It was one of the best days of my life.
