

Look up in the window - now there are six!

Two little kittens are counting all the sticks.

Twenty little monkeys are sitting on a gate.

Look under the table - now there are fifteen!

Look behind the bushes - now there are two.

Eleven little white mice are talking to the queen.

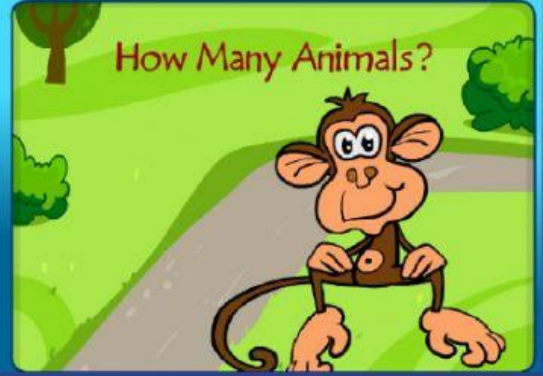

When twelve accidentally fall - there will be only eight!

Look inside the garden - now there are ten!

One little puppy is wearing a black shoe.

How Many Animals?

Look behind the truck - now there are five!

Look up just about them - now there are nineteen!

Three little ducklings are learning how to drive.

Sixteen little frogs are in a yellow submarine.

Look inside her purse - now there are thirteen!

Seven little rabbits are talking to the hen.
