## Vocabulary and Grammar

### 6 Circle the correct options in the text.

#### Volunteer with sea turtles in Costa Rica

Students: by the time you graduate from university, the turtles of Costa Rica (1) **will have faced** / **will be faced** countless more threats: caught in fishing nets, their eggs taken and their natural (2) **habitation** / **habitat** affected by light and rubbish pollution. So, think about it: in a few weeks' time, will you (3) **be lazing** / **have lazed** on a beach sipping cocktails, or might you be one of a team of volunteers flying out to join us?

#### Duties:

You will be on nightly beach patrol to spot nesting turtles and to help release hundreds of babies out to sea as well as cleaning (4) **out** / **up** land and beaches to rid them of plastic. We'll also ask you to put (5) **forward** / **together** and deliver some simple teaching materials to educate local children on the consequences of climate (6) **change** / **changing**.

#### Accommodation:

The accommodation will be in mixed dorms with up to five others and there'll be a few chores around the project to keep it neat and tidy.

#### Leisure:

The beach is the ideal base for swimming or surfing in your free time and Costa Rica boasts a huge (7) **diversity** / **difference** of land, sea and air species. Take a boat trip to see (8) **seawater** / **marine** mammals or travel inland to see magnificent birds of prey. This is the chance of a lifetime to have the time of your life. Sign up today.
