OS INSTRUMENTOS DE PERCUSIÓN

A familia da percusión é a mais extensa de tódalas familias instrumentais. En todo o mundo existen moitisimos instrumentos de percusión diferentes. Tendo en conta o material sobre o que se percuten clasificámolos en : **MADEIRA, METAL OU MEMBRANA**
Según produzan un ou varios sons tamén os podemos clasificar en: **DETERMINADOS OU INDETERMINADOS**.

Tócanse coas mans ou con baquetas:
