

Song: Wonderwall, by Oasis

Today is gonna be the _____ that they're gonna throw it _____ to you
By now, you _____ 've somehow realised what you gotta do
I don't believe that anybody _____ the way I do about you now
Backbeat, the word is on the street that the fire in your _____ is out
I'm sure you've _____ it all before, but you never really had a doubt
I don't believe that anybody _____ the way I do about you now
And all the roads we _____ walk are winding
And all the lights that lead us there _____ blinding
_____ many things that I would like to say to you, but I don't know how
'Cause _____
You're gonna be the one _____ saves me
And after _____
You're my wonderwall
Today was gonna be the _____, but they'll never throw it _____ to you
By now, you _____ 've somehow realised what you're not to do
I don't believe that anybody _____ the way I do about you now
And all the roads that lead you _____ were winding
And all the lights that _____ the way are blinding
_____ many things that I would like to say to you, but I don't know how
I said _____
You're gonna be the one _____ saves me
And after _____
You're my wonderwall
