

# 1 ))) Listen and read.

## World Instruments

This instrument is from Australia. It's a **didgeridoo**. It's very long. It comes from a tree. You play the didgeridoo with your mouth. Native Australian people sing and dance to the sound of the didgeridoo.

This instrument is from Tibet. It's a **Tibetan hand bell**. It's very small. Tibetan hand bells can be used in meditation. People in Tibet play the hand bell with their left hand.

This instrument is from Hawaii. You play it with your nose! It's called a **Hawaiian nose flute**. It's long and thin.

Can you play any musical instruments? Do you use your mouth, hands, or nose?
