I'm at a payphone trying to call home
All of my change I _____ on you
Where have the times gone?
Baby, it's all wrong
Where are the plans we _____ for two?

Yeah, I, I know it's hard to remember
The people we _____
It's even harder to picture
That you're not here next to me
You say it's too late to make it
But is it too late to try?
And in or time that you _____
All of our bridges _____ down

I've wasted my nights
You _____ out the lights
Now I'm paralyzed
Still stuck in that time when we _____ it
love
But even the Sun sets in paradise

I'm at a payphone trying to call home
All of my change I _____ on you
Where have the times gone?
Baby, it's all wrong
Where are the plans we _____ for two?

If happy ever after _____ exist
I would still be holding you like this
All those fairy tales are full of it
One more stupid love song, I'll be sick
Oh

You turned your back on tomorrow
'Cause you _____ yesterday
I gave you my love to borrow
But you just _____ it away
You can't expect me to be fine

I don't expect you to care
I know I've _____ it before
But all of our bridges burned down

I've wasted my nights
You _____ out the lights
Now I'm paralyzed
Still stuck in that time when we _____ it
love
But even the Sun sets in paradise

I'm at a payphone trying to call home
All of my change I _____ on you
Where have the times gone?
Baby, it's all wrong
Where are the plans we _____ for two?

If happy ever after _____ exist
I would still be holding you like this
All those fairy tales are full of it
One more stupid love song, I'll be sick
Now I'm at a payphone

Yeah, yeah, now baby don't hang up,
So I can tell you what you need to know,
Baby I'm begging you just please don't go,
So I can tell you what you need to know

I'm at a payphone trying to call home
All of my change I _____ on you
Where have the times gone? Baby, it's all
wrong
Where are the plans we _____ for two?

If happy ever after _____ exist
I would still be holding you like this
All those fairy tales are full of it
One more stupid love song, I'll be sick
Now I'm at a payphone
