CRITICAL THINKING STRATEGY

Comparing and contrasting

When you **compare** two things, you notice what is the same about them.

When you **contrast** two things, you notice what is different. Comparing and contrasting can help you remember important points about the two things.

Ask yourself, "What's the same?" and "What's different?"

Look at the Venn diagram for two bookstores. A Venn diagram is a way to organize ideas when you are comparing and contrasting. What's the same and what's different about the bookstores?
