

Man in the Mirror By Michael Jackson

I'm gonna a
For once in my life
It's gonna feel real good
Gonna a
Gonna it

Order

Who am I, to be blind pretending not to see their needs?
With not enough to eat
My favorite winter coat
I see the kids in the street
This wind is blowin' my mind
As I, turn up the collar on

A summer's
A broken bottle top
And a one man's
They follow each other on the wind ya know
'Cause they got to go
That's why I want you to know

CHORUS

I' with the man in the mirror
I' him to change his ways
And no could've been any clearer
If they wanna make the world a better place
Take a look at and then make a change

I've been a victim of a kind of love
It's time that I realize
That there are some with no
Not a to loan
Could it be really me that they're
not alone?

A willow deeply
Somebody's heart
And a washed out dream (washed out dream)
They follow the pattern of the , ya
see
'Cause they got no place to be
That's why I'm starting with me

CHORUS (Three times)

you can't
(Then you close your) close your, your mind
With the man in the mirror, oh yeah
I'm asking him to change his ways (better change)
No message could've been any clearer
If you make the world a better place
Take a look at and then make a change

feel real good now
I'm make a change
It's feel real good
Come on (change)
Just lift yourself
You know
You've got to stop it
Yourself (yeah)
I've got to make that change today
(Man in the mirror) you got to
You got to not let yourself brother
(Yeah) you know
(Make that change) I've got to get that man, that man

You've got to
You've got to move
Come on
Come on
You got to
Stand up, stand up (yeah, make that change)
Stand up

Stand up and lift
Yourself, now
(Man in the mirror)

Gonna make that change come on
(Man in the mirror)

You know it
You know it
You know it
You know
Change
Make that change
