Listen to the podcast and fill out the gaps

- 1.The decision to hold the World's Cup in a tiny oil rich gulf state has been
- 2.Ninety-five per cent of the total work force areworking in extreme heat.
- 3.We're still recording and documenting migrant workers facingandin Qatar.
- 4.Some workers were only allowed to.....for three months.
- 5.Hosting the World Cup is more about.....its international reputation than politics.
- 6.Although it'sthat the Qatari team will actually win.
