

DRIVING HABITS

There are some bad driving habits with serious consequence. The first is driving over the speed limit, or When you speed, it will be hard to the car, and take longer to put the car to a stop. The second is tailgating. When you tailgate, you will not have time to react if the car you suddenly stop. The third habit is talking on the phone. When you talk on the phone while driving, your can't pay 100% to the road. Another is texting while driving, which your eyes off the road for at least 4-5 seconds. The next habit is not when changing lanes, which will make it hard for other to predict where you will move and turn. The last bad habit is drunk When you drive under the influence of alcohol will impair your to drive, to judge, and to react the sudden problems on the road. Lots of people have been killed because of these bad habits so we should absolutely stop them.
