

Lo hago yo

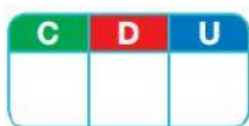

Completa.

$145 = 100 + \square + \square$

$129 = \square + \square + \square$

$137 = \square + \square + \square$

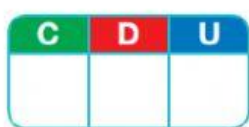

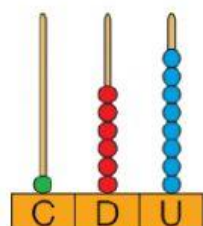

$156 = \square + \square + \square$

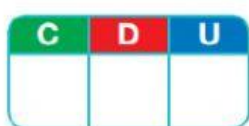

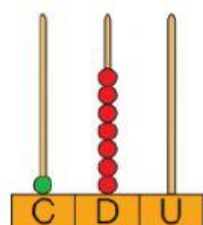

$\square \text{ C} + \square \text{ D} + \square \text{ U}$
 $\square + \square + \square = \square$

$\square \text{ C} + \square \text{ U}$
 $\square + \square = \square$

$\square \text{ C} + \square \text{ D} + \square \text{ U}$
 $\square + \square + \square = \square$

$\square \text{ C} + \square \text{ D}$
 $\square + \square = \square$
