My Room

Hello! My name is Bohdana. I am nine years old. I live in Kharkivska street in Sumy. I live in a two-room flat. My flat is not big but it is new. It has got a living-room, a bedroom, a hall, a kitchen, a bathroom and a balcony.

I have got my own room. This is my favourite room. It is very nice. The blue carpet is on the floor and my sofa is near the wall on the right. The bookshelf is above the sofa and the armchair is under the window. The TV set is in front of the door. I have got a desk next to the toy box on the left. There I can read, write and paint every day. I like my room very much.
