

Wait a _____
I think I left my _____ on your front _____,
oh oh, wait a minute
I think I left my consciousness _____ dimension
But I'm here right now, right now
(Right now, right now)
Just sitting _____, oh wow
I'm here right now, right now with you, oh wow, oh wow
(Right now, with you)
I don't _____
I'll run _____ through your hair
You wanna run your _____ through mine
But my _____ too thick and that's alright

Hold on, wait a minute
Feel my _____ intention, oh
Hold on, wait a minute
I left my consciousness in the sixth dimension
Left my _____ in his vision
Let's go get it, oh, oh
Let's go get it, oh, oh

Some things don't work
Some things are _____ to be
Some things, they hurt
And they _____ me
You left your _____ at my house
And I read those pages, do you really _____, baby?
Some things don't work
Some things are bound to be
Some things, they hurt
And they tear apart me
But I _____ my word, and you were bound to see
And I cried at _____
When you first _____, "Oel ngati kameie"

Chorus

Some people _____
Some _____ to get by
Some people like _____
Some just rather _____, bye

Chorus

*wait a minute
