Location Review

Think about the location of your house.
The ***absolute*** location is your address.
The ***relative*** location would be your neighbourhood or street.

Look at the locations below
and choose whether the location is relative or absolute.

Locations	Relative or Absolute?
1) Deliver the pizza to building #7, Naguib Ave, Dahab, Egypt.	_____
2) The shopping mall in Heliopolis has a new restaurant.	_____
3) You can find it at the shop beside the lake.	_____
4) Beatty Park is just down the street from our house.	_____
5) I will meet you at the top of the street.	_____
6) Send the letter to #123, Rodeo Drive, Tampa, Florida.	_____
7) My address is Villa 97, Abdallah Street, Tagamoa, Cairo.	_____

Write an example of your own for each location!

Relative: _____

Absolute: _____
