

# STUDENT WORKSHEETS

## BIOLOGI SMP CLAS 9

### PEWARISAN SIFAT

# INHERITANCE OBSERVATION SHEET

## DESTINATION

1. EXPLAIN THE DIFFERENT TYPES OF PHENOTYPES
2. IDENTIFY THE NATURE OF THE PENITIVE

NAMES OF GROUP MEMBERS :

THEORY

: PEWARISAN SIFAT

# INHERITANCE OBSERVATION SHEET

## OBSERVATION STEPS:

1. Make observations on the plants that have been distributed to each group
2. Observe the penotive and describe properties
3. Present to each group

## research question :

1. Based on your observations, are there any differences in the prototyping properties of similar plants?
2. Describe some of the differences in these phenotypic traits.

## answer :
