KEEPERS CRITICISED AFTER BEAR ESCAPE

When a bear broke out of its cage at Dudland Zoo last week and climbed a nearby tree, there wasn't much the zookeepers could do. They failed (1) it with the large net they had, and then just had to wait (2) hungry. They put some honey, the bear's favourite food, inside its cage, and eventually the bear came back and began (3) it.

Since then, there has been a lot of criticism of the zoo staff by local residents. Mo

Baker, 41, of Sea Street said: 'I accept that keepers couldn't have done much to prevent (4) , but they didn't even bother (5) the police.'

The director of Dudland Zoo has said that an enquiry into the escape is now under way.

Hi!

Do you remember (1) that you wanted a recent photo of me? Well, here it is. Yes, it's not very flattering, but you know how I hate (2) my photo taken. Can't wait (3) you again in July. Until then, you'll have to make (4) with this photo! Btw, let me know when your flight gets in and I'll get Jenny or Tom (5) you from the airport.

Must go. We're off to the cinema tonight, so I have to hurry (6) dinner ready. Will email again soon.

Love,

Luis
