

# REPASO FRACCIONES

1. Une con flechas indicando cómo se escriben y se leen estas fracciones.

|                                                                                                           |                                                           |                                      |
|-----------------------------------------------------------------------------------------------------------|-----------------------------------------------------------|--------------------------------------|
|  <input type="radio"/>   | <input type="radio"/> $\frac{3}{7}$ <input type="radio"/> | <input type="radio"/> Cuatro novenos |
|  <input type="radio"/>   | <input type="radio"/> $\frac{4}{9}$ <input type="radio"/> | <input type="radio"/> Un tercio      |
|  <input type="radio"/>   | <input type="radio"/> $\frac{4}{6}$ <input type="radio"/> | <input type="radio"/> Tres séptimos  |
|  <input type="radio"/> | <input type="radio"/> $\frac{1}{3}$ <input type="radio"/> | <input type="radio"/> Cuatro sextos  |

2. Escribe cómo se lee o cómo se escribe. (Empieza con mayúscula)

$$\frac{2}{3}$$

$$\frac{6}{9}$$

— Cinco cuartos

— Siete quintos

$$\frac{1}{2}$$

$$\frac{3}{8}$$

— Cuatro séptimos

— Nueve sextos

3. Compara las siguientes fracciones eligiendo el signo adecuado.

$$\frac{3}{5} \quad \frac{2}{5} \quad \frac{4}{9} \quad \frac{4}{9} \quad \frac{5}{8} \quad \frac{3}{8} \quad \frac{2}{9} \quad \frac{7}{9}$$

$$\frac{2}{4} \quad \frac{2}{9} \quad \frac{1}{7} \quad \frac{1}{6} \quad \frac{3}{8} \quad \frac{3}{8} \quad \frac{5}{7} \quad \frac{5}{8}$$

4. Ordena arrastrando cada fracción al recuadro correspondiente:

- De mayor a menor.

|                                                                                                                                        |   |                                                                                                                                        |   |                                                                                                                                        |   |                                                                                                                                        |
|----------------------------------------------------------------------------------------------------------------------------------------|---|----------------------------------------------------------------------------------------------------------------------------------------|---|----------------------------------------------------------------------------------------------------------------------------------------|---|----------------------------------------------------------------------------------------------------------------------------------------|
| <div style="border: 1px solid orange; width: 60px; height: 60px; display: flex; align-items: center; justify-content: center;"> </div> | > | <div style="border: 1px solid orange; width: 60px; height: 60px; display: flex; align-items: center; justify-content: center;"> </div> | > | <div style="border: 1px solid orange; width: 60px; height: 60px; display: flex; align-items: center; justify-content: center;"> </div> | > | <div style="border: 1px solid orange; width: 60px; height: 60px; display: flex; align-items: center; justify-content: center;"> </div> |
| <div style="border: 1px solid gray; border-radius: 10px; padding: 5px; text-align: center;"><math>\frac{3}{6}</math></div>             |   | <div style="border: 1px solid gray; border-radius: 10px; padding: 5px; text-align: center;"><math>\frac{2}{6}</math></div>             |   | <div style="border: 1px solid gray; border-radius: 10px; padding: 5px; text-align: center;"><math>\frac{12}{6}</math></div>            |   | <div style="border: 1px solid gray; border-radius: 10px; padding: 5px; text-align: center;"><math>\frac{6}{6}</math></div>             |

- De menor a mayor.

|                                                                                                                                        |   |                                                                                                                                        |   |                                                                                                                                        |   |                                                                                                                                        |
|----------------------------------------------------------------------------------------------------------------------------------------|---|----------------------------------------------------------------------------------------------------------------------------------------|---|----------------------------------------------------------------------------------------------------------------------------------------|---|----------------------------------------------------------------------------------------------------------------------------------------|
| <div style="border: 1px solid orange; width: 60px; height: 60px; display: flex; align-items: center; justify-content: center;"> </div> | < | <div style="border: 1px solid orange; width: 60px; height: 60px; display: flex; align-items: center; justify-content: center;"> </div> | < | <div style="border: 1px solid orange; width: 60px; height: 60px; display: flex; align-items: center; justify-content: center;"> </div> | < | <div style="border: 1px solid orange; width: 60px; height: 60px; display: flex; align-items: center; justify-content: center;"> </div> |
