trumpet / flute

B ★★ Read and complete. There are two words you don't need.

	cello	clarinet	conductor	flute
	harp	piano	trumpet	xylophone

- A _____ is the same shape as a violin, but bigger.
- A _____ is not very big. It's long and thin. It's made of metal.
- To play a _____, you have to bang it with two sticks. It's usually made of wood.
- The _____ is a person who tells a group of musicians how to play.
- The _____ is large, and you have to sit down to play it. It's black and white and has 88 keys.
- The _____ is made of wood. You use your fingers on the strings to make sounds.

C ★★ Read and complete.

Otis: I go to an after-school music club every Thursday. Do you have a music program at your school?

Carla: Yes, we do! I'm learning to play the **1 d** _____, and I'm going to join the school's rock band.

Otis: Wow, that's cool. At our music club, a group of us play in a small **2 o** _____. We all have to work together. We have a performance next month. I'm so nervous.

Carla: That sounds fun! Do you have a **3 c** _____?

Otis: Yes, we do. He tells us how to play the music. Oh, and I'm learning to play a new instrument. It's really big and has strings.

Carla: Is it a **4 h** _____? That instrument makes a beautiful sound.

Otis: No, it's a **5 c** _____. It looks like a very big violin.
