Lucy and her parents, Mr and Mrs. Field, put their summer clothes and swimming and sailing things in their big, brown suitcase and drove to the airport. Lucy was excited because she was going on a sports holiday. When they go to the airport, Lucy's dad showed their tickets and then the family hurried to the bookshop to choose some magazines.

After that, they went to get on the plane. Lucy's seat was by the window! During the

journey. Lucy's mum read about a famous ice hockey team, her dad talked to another passenger about a golf match and Lucy watched an adventure film about mountain climbing. When they got off the plane, they took a taxi to the hotel. "Wow!" said Lucy when they arrived. "Look at all the sailing boats! And, look! You can play table tennis by the pool. Oh! Can we go swimming? I can't wait until tomorrow!"

"Not yet", Lucy her mother said. "We have to take our things up to our room first. " When Lucy's father picked up the suitcase, he said. "That's strange. This feels much heavier than it did before!"

Mrs. Field laughed. " You think that because you're tired after our long journey! Come on! I've got our key. Look! Our room number is 501. It's on the fifth floor. "They went to take out their swimming things. "Oh! No" he said. " Whose ski hat is this? Why are there three pairs of gloves ad all these warm socks in the suitcase?"
What a terrible mistake! The family had the wrong suitcase!
