Tiger Street Club Report In the UK ...

Many children join the library in their town. At the library, they can borrow books and DVDs and they can download e-books. Some children go to their library to use a computer, listen to stories or find out about local history. There are clubs where children can write stories and poems together.

My favourite book

My favourite book is *Peter Pan*, by J. M. Barrie. The book is a children's novel. It's a play, too. You can see it at the theatre. My favourite character is Peter. Peter Pan is a boy. He can fly and he never grows old. Peter is very brave. He fights Captain Hook on the island of Neverland.
