

EXERCISE 10

You are going to write a reply to Moto's email. Use the ideas below to help you.

Hi!

We've arrived safely in Paris, but our flight was delayed for three hours and we didn't reach our hotel until late in the evening. The hotel is in the centre of the city, near the Eiffel Tower.

Yesterday, we went on a bus tour round the city and we visited most of the main tourist sites. This morning, we went to one of the big museums and after that I had seafood and fish in a cream sauce in a nice restaurant. It was fantastic! Oh, I forgot. All the shops we saw were full of interesting souvenirs, but I haven't bought anything yet.

Have you ever been to Paris or somewhere interesting? Please tell me about it! I'm sure you've seen lots of pictures of the Eiffel Tower. Have you ever eaten fish in a cream sauce? If not, you must try it.

See you soon,

Moto
