Some people learn a second language easily. Other people have trouble learning a new language. How can you help yourself learn a new language, such as English? There are several ways to make learning English a little easier and more interesting.

The first step is to feel **positive** about learning English. If you believe that you can learn, you will learn. Be patient. You do not have to understand everything at once. It's natural to make mistakes when you learn something new. We can learn from our mistakes. The second step is to practice your English. For example, write a journal, or diary, everyday. You will get used to writing in English, and you will feel comfortable expressing your ideas in English. After several weeks, you will see that your writing is improving.

The third step is to keep a record of your language learning. You can write this in your journal. After each class, think about what you did. Did you answer a question correctly? Did

you understand something the teacher explained ?Perhaps the lesson was difficult, but you tried to understand it.

It's important to practice every day and make a record of your achievements.

17. Everyone has difficulty learning a second language.

18. You mustn't make mistakes when learning a new language.

19. Practicing writing in English is useless in expressing your ideas.

20. It's essential to keep a record of your learning language..

21. The word positive in the second paragraph means:

A. indecisive

B. confident

C. serious

D. negative

22. The writer wants to give us :

A. some advice on how to express your ideas.

B. some advice on how to get used to writing in English.

C. some advice on what to do so as not to make mistakes.

D. some advice on how to learn English easier and more interesting.
