

Reading Homework:

Directions: Read the passage "A Dog's Life". Label the following statements as either a main idea or a supporting detail.

Dogs can communicate.
Dogs use facial expressions or sounds to communicate.
They also use body movements to show how they are feeling.

Main Idea MONDAY	Read the paragraph below. Determine the main idea and two supporting details.
<u>A DOG'S LIFE</u>	
Even though a dog may not be able to speak to its owner, he or she can still communicate! Dogs can communicate with their humans using basic behaviors. They might use their facial expressions or different sounds to communicate how they are feeling. Dogs may also use their eyes to show emotion. Their body posture, including movements of their body, face, tail, or limbs can also communicate how they are feeling. Who needs words, anyway?	
MAIN IDEA: _____	

SUPPORTING DETAILS:	
1	_____
2	_____

Writing Homework:

Directions: Rewrite the sentences and place the commas where they belong.

1. Dogs cats and fish make good pets.

2. I saw lizards birds and frogs on my walk.

3. Kim Mandy Sara and I went on a school trip.

Math Homework:
