## Late for school?

From Monday to Friday, George wakes up at seven o'clock and catches the bus to school at eight. But today, he woke up at half past seven! He quickly got dressed, brushed his teeth and left the house. He didn't have enough time to eat breakfast or say good morning to his parents.

George ran down the road to the bus stop, but he was too late for the school bus! 'I'll take the train,' he thought. 'It's really fast, so I might still arrive at school before lessons start.'

He ran to the train station as fast as he could and bought a ticket. But when he walked onto the platform, the train was leaving! He read a timetable and found out that there wasn't another train for an hour!

Then, he looked at a clock in the station. It was already midday! There was nothing he could do now. 'Somebody, please help me! I need to get to school!' he shouted.

Then, George heard his mum. 'George, what's the matter? You're talking in your sleep,' she said. He woke up. 'I'm late for school, Mum!' he said. 'But it's Sunday, George. You don't have to go to school today,' said his mum. Suddenly, George understood – it was just a dream! He felt very happy and closed his eyes to sleep again.
