She was like ..... sky

Sunrise in her eyes

.....of light

Shining star

..... in her heart

Brightest day

Melting .....

Breaking through the chill

October and April

He was like frozen .....

In October .....

Darkest cloud

Endless storm

Raining ..... his heart

Coldest moon

Deepest blue

Tearing .....the spring

October and April

..... hate and love

Worlds apart

..... fatal love

Was like poison

Right from the .....

Like .....and dark

We were ..... loaded guns

Sacrificed our lives

We were like ..... undone

Craving to entwine

Fatal .....

Final thrill

.....was bound to kill

October and April
