

Hi! My name is Alisa.

I'm 8 years old and I want to show you some photos.

Look at this photo.

I'm playing tennis with my sister.

We are having fun!

In this photo you can see my parents.
They are dancing.

And this is my friend, Polina.
She is playing volleyball.

Here I'm swimming with Polina.
I can swim very well!

I love my family
and friends!
