

## EXERCISE 8

*Put the sentences in the correct order to make a paragraph.*

- A. It is a good idea for children to learn a language when they are very young for three reasons.
- B. Finally, children who can speak two or more languages often have good communication skills and make friends easily.
- C. Firstly, young children can pick up new languages very easily.
- D. For example, if they hear people speaking another language, they are quick to repeat the words that they hear.
- E. For example, people who learn a second language well, often find it easier to learn a third language.
- F. Secondly, if children learn a second language when they are very young, they will find it easier to learn other languages in the future.
