

EXERCISE 1

Choose the correct words.

1. My brother stores/streams his files on his computer but doesn't back them up.
2. You can connect a series of computers together on a network/website.
3. I prefer to use a desktop/laptop computer as I can work from anywhere.
4. Stop playing games! Crash/shut down your computer right now!
5. I don't like paying a lot of money for apps/attachments , but it can cause problems if you only backup/download them for free.
