

A TRIP TO THE ZOO!

In the zoo there are many animals, look at the picture and identify them. Write the number that corresponds to the name of the animals that you identify in the image.

- | | |
|--------------|-----------|
| 1_Crocodile | 13_Hippo |
| 2_Flamingo | 14_Parrot |
| 3_Penguin | |
| 4_Polar bear | |
| 5_Lion | |
| 6_Zebra | |
| 7_Tiger | |
| 8_Toucan | |
| 9_Monkey | |
| 10_Giraffe | |
| 11_Elephant | |
| 12_Gorilla | |

Look at the picture and answer the questions:

- How many people can you see in the picture?

- How many animals can you see in the picture?

- Are there three tigers in the picture?

- Is there a crocodile in the picture?

- Are there two elephants in the picture?

- Is there a gorilla baby in the picture?

- Is there a fish in the picture?

- Are there four trees in the picture?

Read each description and write the number next to the correct animal.

1. A big cat with black and orange stripes. It has large front paws with long sharp claws.

2. It is a bird with black and white feathers, but it can't fly; however it can swim very well.

3. It lives primarily in Eastern Australia. It can jump very high. It is a mammal whose baby lives in a pouch until it is more developed.

4. It has a long neck and can find its food on top of trees. It is herbivore.

5. It is the largest primate, can stand in the upright position, but it normally walks using all four extremities. It eats bananas.

What is your favorite animal? Write about it.
