

If you've been hiding from
I can where you're coming from
If you've suffered
I can understand what you'reof
I can the pain that you're frightened of
And I'm here
To you free love
Let's..... it clear
That this is free love
No catch
No strings attached
..... free love
I've been like you
Now you understandI'm running scared

Hey girl
You've got to this moment
Then let it slip away
Let go of complicated
Then there's no to pay
We've been from love
And we don't know what we're here
No we don't know what we're here
And we'rehere
..... our free love
