

Hiko - Love Story

We were both young when I first ____ you
I close my ____ and the flashback starts
I'm standing ____

On a balcony in summer air
See the ____, see the party, the ball ____
See you make your way through the crowd
And say: Hello
____ did I know

That you were Romeo, you were throwing pebbles
And my daddy said: Stay away from Juliet
And I was crying on the staircase
Begging you: Please, don't go

And I said: Romeo, take me somewhere we can be alone
I'll be waiting, all there's left to do is ____
You'll be the prince and I'll be the princess
It's a love story, baby, just say yes
Romeo, take me somewhere we can be alone
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story, baby, just say yes

Romeo, save me, I've been ____ so alone
I keep waiting for you, but you ____ come
Is this in my head? I don't know what to think
He knelt to the ground and pulled out a ring

And said: Marry me, Juliet, you'll never ____ to be alone
I love you and that's all I really know
I talked to your dad, go pick out a ____ dress
It's a love story, baby, just say
Marry me, Juliet, you'll never have to be alone
I love you and that's all I really know
I talked to your dad, go pick out a white dress
It's a love story, baby, just say yes
