PART 5. Read the article about three people who love reptiles. Choose A, B, C to answer the questions.

A - Sarah

When I was a child, I collected books about reptiles. My friends spent their free time playing computer games, so I was a bit strange. I loved learning about reptiles from other countries, but as I got older, I found out that my own country has interesting reptiles too, and that's what I like studying now. I do lots of drawings of reptiles, and I put them on my blog.

B - Pilar

I love reptiles because of all the visits to forests and lakes we made when I was at school. It's a pity that things have changed so much now. In my opinion, children these days don't learn enough about animals, so lots of them are afraid of reptiles, for example. I have a great job because of my love of reptiles. I'm a reptile photographer.

C - Lia

A few years ago, I read a blog with beautiful photos of reptiles, which made me start looking at what lives around us. It was just a hobby at first, but now, it's my job because I visit schools and give talks about reptiles. I love it. The only problem is if someone asks me to draw a picture. I enjoy it, but I'm not good at drawing! I'm going to take some lessons to try to get better.

0. Who loves reptiles because he/ she sees photos of them on a blog?

A. Sarah *B. Pilar* *(C) Lia*

21. Who thinks that nowadays, lots of children are afraid of reptiles?
