## Revenge is sweet

According to writer Claire Gillman, **getting even** is becoming increasingly popular as life gets more stressful. In her book *Revenge is Sweet* Claire reveals that men are much more the vengeful sex, except over romantic matters, when it is women who are most likely to take revenge. Here are some of her favourite tales from the book.

1 \_\_\_\_  
The wife of a radio DJ saw red when she heard her husband flirting with a glamorous model on air. She immediately posted an advert for his £30,000 Lotus Esprit Turbo sports car on eBay for 50p and sold the car within five minutes. Later, she told journalists that she didn't care about the money. 'I just wanted to get my own back,' she admitted.

2 \_\_\_\_  
After a long-running dispute between neighbours, one of the parties went on holiday for two weeks in the summer. The other neighbour took advantage of their absence to put two pints of maggots through the neighbour's letter box. The family returned to a house full of flies.

3 \_\_\_\_  
An 80-year-old woman was in front of a judge, charged with shoplifting. He asked her what she had stolen. 'A can of peaches,' replied the woman. 'How many peaches were in the can?' asked the judge. She replied that there were six. 'Then I'll give you six days in jail,' said the judge. Before he had time to speak further, the woman's husband added, 'She also stole a tin of peas.'

4 \_\_\_\_  
Rude customers tend to drive staff in restaurants crazy. One chef confessed that after a customer had demanded that the sauce be removed from his burger, she licked the sauce off it with her tongue and then sent it back via the waiter.

5 \_\_\_\_  
A computer technician was angered when his temporary position was terminated so he deliberately brought down five of eight network servers. All the data in the servers was deleted and none was recoverable. As a result, the company was forced to shut its New York office for two days and sustained losses of more than \$100,000.

6 \_\_\_\_  
A doctor was called out at 2 a.m. one night to visit a patient who lived some distance away. On his arrival, he discovered that it was, in fact, a non-urgent case, and the patient could perfectly well have waited until the next day to visit him in his surgery. Imagine the patient's surprise when the doctor popped by in the early hours of the following morning to check he was OK!
