INSTRUCTION

In this section, you will try to analyze the Social Function and Kinds of Figurative Language in Song Lyric. Here I give you a guidebook for your activity.

Ask me if you need a hand

Song Lyric

1. Definition

A song is a single (and often standalone) work of music intended to be sung by the human voice with distinct and fixed pitches and patterns using sound and silence and a variety of forms that often include the repetition of sections.

2. Social Function of Song

In general, we can conclude that the social function of song are:

- To entertain the listeners.
- To teach moral value through the lyrics of the songs.
- To provide a way of managing the relationship between our public and private emotional life
- To express personal feeling and cultural values.
- To give someone to not only shares their emotions with others, but also to have an emotional connection that just can't be experienced in any other way.

But **in specific**, the Social Function of Song relates to the content of the lyric itself. Or in other words, we can breakdown the Social Function of song in more specific. For example, the song of Black or White by Michael Jackson has the Social Function to talk about equality and fight for racism.

Exercise

Have I ever told you
I want you to the bone
Have I ever called you
When you are all alone
And if I ever forget
To tell you how I feel
Listen to me now, babe
I want you to the bone

SONG 1

I want you to the bone, oh
I want you to the bone, oh

Oh, maybe if you can see
What I feel through my bones
And every corner in me, oh
That's your presence that grown
Maybe I nurture it more
By saying how I feel
But I did mean it before
I want you to the bone
I want you to

Take me home, I'm fallin'
Love me long, I'm rollin'
Losing control, body and soul
Mind too for sure, I'm already yours
Walk you down, I'm all in
Hold you tight, you call
I'll take control, your body and soul
Mind too for sure, I'm already yours
Would that be alright? Yeah
Hey, would that be alright?
I want you to the bone, yeah
So bad I can't breathe, no
I want you to the bone

Describe the Social Function of the lyric
beside, what do you see?

Do you see any lyric with Figurative
Language? Mention it, including its' kind!

Exercise

Goin' out tonight, changes into
something red
Her mother doesn't like that kind of
dress
Everything she never had she's showin'
off
Drivin' too fast, moon is breakin'
through her hair
She's headin' for somethin' that she
won't forget
Havin' no regrets is all that she really
wants

We're only gettin' older, baby
And I've been thinkin' about it lately
Does it ever drive you crazy
Just how fast the night changes?
Everything that you've ever dreamed of
Disappearing when you wake up
But there's nothing to be afraid of
Even when the night changes
It will never change me and you

Chasing it tonight, doubts are runnin'
'round her head
He's waitin', hides behind a cigarette
Heart is beatin' loud and she doesn't
want it to stop
Movin' too fast, moon is lightin' up her
skin
She's fallin', doesn't even know it yet
Havin' no regrets is all that she really
wants

SONG 2

Describe the Social Function of the lyric
beside, what do you see?

Do you see any Figurative Language in the
lyric? Mention it, including its' kind!
