TASK 2. Complete the text. Use the words in the box.

college evening classes nursery school postgraduate course primary school
private lessons secondary school training courses university work placement

In my country, many very young children go to (1) _____, but they don't have to go. The first school you must go to is (2) _____. This is for children aged five to eleven years old. Older children go to (3) _____, where they have lots of homework and exams. Here, they study subjects like Geography, History and IT. Some children have (4) _____, for example they might have extra English classes, which their parents pay for. Some people stop their education after secondary school, but many continue their education by going to (5) _____. In my country, they usually study just a few subjects at college.

You can study for a degree at (6) _____. You need to do this if you want to become a teacher, a lawyer or an engineer, for example. Many university courses include a (7) _____, where students spend a few months in a place of work and learn some practical skills. After graduating from university, some students stay at a university to do a (8) _____. Education doesn't stop when you leave school or university. Many people go to (9) _____ which they attend after a full day at work. You can also learn a lot at work by going on (10) _____. For example, you might learn how to use new computer software or how to communicate with customers.
