My holidays in Scotland

by Tommy

My mum and I don't stay at home in the holidays. We love sports, so last year we went to Scotland. Scotland has lots of mountains and wild countryside, so it is great for outdoor activities. The place we stayed at is a holiday village called Glencoe Mountain. We went there in the summer and in the winter.

We drove to Glencoe Mountain in August. There is a campsite there and we put up our tent together at 10 p.m. It wasn't dark because it gets dark late in Scotland in the summer. We went cycling on our mountain bikes for the first two days. We got tired, but the views were amazing. Then we went hiking and we saw some wild rabbits and a fox.

We went to Glencoe Mountain again in December. On the first day, we travelled by coach and the coach got lost on the way! But our holiday was great. It was sunny all the time, so we didn't get cold. My mum and I went skiing every day. Glencoe Mountain is my favourite place for a holiday. There is so much to do, you never get bored.

We rented a car from the airport and took it out on the highway. After a few hours of driving, we stopped at a gas station. When we were outside the gas station, something strange happened...
