They

PART 5. Choose the correct form A, B, C or D. (10 points)

When Bill **62** home, the house was unusually quiet. His parents **63** for him in silence. They had been sitting on the sofa in the living room for an hour. They both looked nervous, but everyone in the family seemed nervous at the moment. They were expecting Bill's exam results any time. 'A letter **64** for you,' said Bill's father, holding it out. 'Thank you,' Bill replied and said that he **65** the postman **66** their house. He opened the letter quickly. 'What a pity,' said Bill, looking at the letter. Bill's mother gasped and his father started to comfort her. 'We **67** stricter with him before the exam,' they thought. 'We didn't make him **68** enough!' 'But I've passed!' he exclaimed. 'Seven grades A's. What a pity I only got a 'B' in Chemistry! I wish I **69** more!' 'Congratulations, son,' his father sighed with relief. His mum looked a little confused. Bill quickly **70** the letter – an invitation to a party. 'If my parents knew the real results, which had been delivered the day before, they **71** me go to the party,' he thought.

- | | | | |
