Welcome to the countryside of Vietnam and enjoy yourself in a peaceful atmosphere surrounded by amazingly refreshing landscape. Crossing each region in the countryside, you can see more shade of green than ever and for sure you will fall in love with this simple beauty. In fact, the countryside in Vietnam is one of the most suitable places to live despite not having tall buildings, modern hotels and restaurants. Moreover, people in the countryside are simple, kind and hospitable and always willing to help each other.

Each region has its own way of living and its people are also different from others. With people living in the lowlands, they get together and live in a small community, also called village. They are friendly farmers who make a living by growing rice, raising cattle or making traditional crafts. They often go to the temples and pagodas to wish health and luck for their families as well as participate in amazing festivals held by villagers. With people living in the Central of Vietnam, they have a more difficult life than others as they have to suffer from **severe** natural disasters every year, but they still live in peace and help each other. Therefore, a visit to the countryside will give you a deeper insight into the countryside lifestyle.
