3 Complete the passage with suitable relative pronouns. There may be more than one correct answer.

I've never known anyone ¹ is as crazy about science as my friend Abigail. She has a huge collection of books ² she keeps in her bedroom, and she always brings some to the kitchen, ³ she reads them after school. At times ⁴ she's working on a project, she also gets books from the library. Her sister Annie, ⁵ is her twin, is crazy about fiction, ⁶ is something I understand better. Annie, ⁷ collection of books is even bigger than Abigail's, has no interest in science, and Abigail doesn't like reading novels. But the twin sisters certainly share a love of books!
