# Visiting different places

A

Read the sentences then complete words 2–10 in the S puzzle.

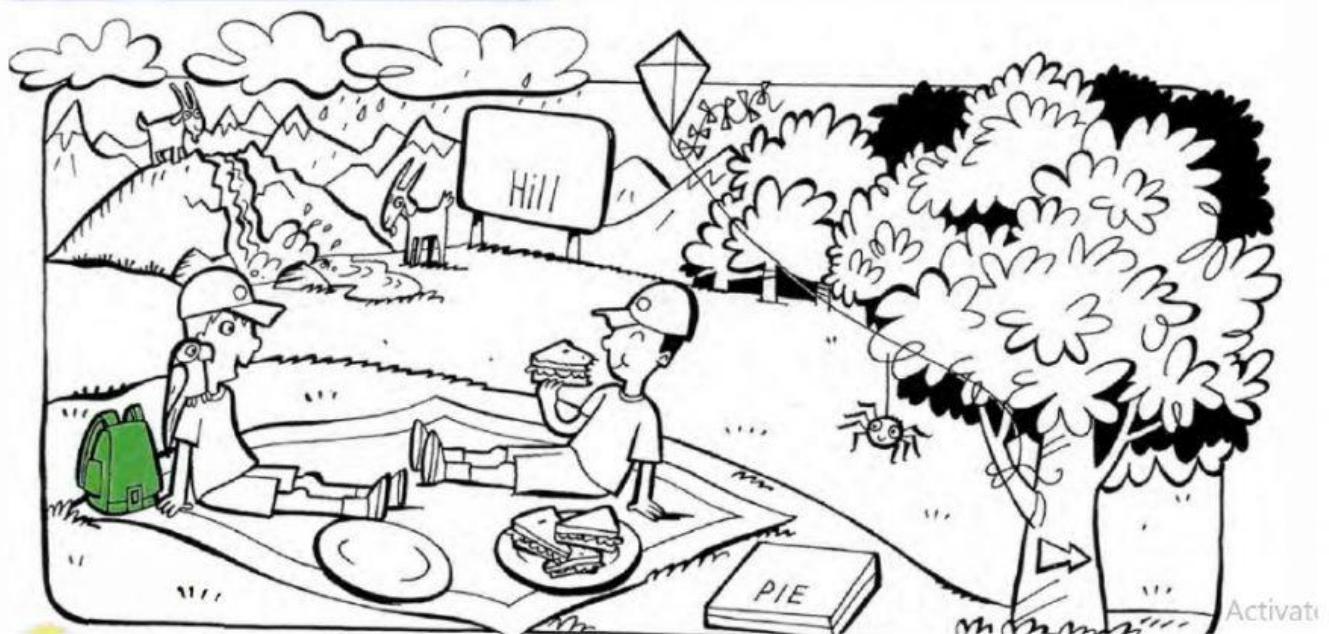

- 1 This is green and you can usually find it in gardens. Cows eat it!
- 2 You can walk up these because they're lower than mountains.
- 3 You find these on farms and some farmers grow vegetables in them.
- 4 This is usually yellow. It's under your feet when you walk on the beach.
- 5 People live and work in these places. They're like towns but smaller.
- 6 You see these on all kinds of plants. They sometimes fall off trees.
- 7 You can find thousands of tall trees in this place.
- 8 There is water all round this place so you need a boat to get to it.
- 9 Most of these are really pretty and you find them on the beach or at the bottom of the sea.
- 10 When it rains, this is grey and has lots of clouds in it.
