Kingdom

Spain

France

Andorra

Norway

Portugal

Italy

Switzerland

Greece

Denmark

Romania

Germany

## Complete the text with the words in the box:

respect    sell    27    trade    work

The European Union is a group of \_\_\_\_\_ countries who help each other.

Countries in the European Union can \_\_\_\_\_ together easily. This means it is easy for the countries to buy products from and \_\_\_\_\_ products to each other.

People who live in these countries can \_\_\_\_\_ in other countries in the European Union without special permission.

The European Union also wants all its members to \_\_\_\_\_ human rights and democracy.
