II. READING**1. Read the passage and circle the best answer A, B or C.**

I was born in Ha Noi, the capital of Viet Nam. Ha Noi is famous for its natural beauty, with lots of rivers and lakes. There are many historical places to visit in Ha Noi. The Literature Temple (Van Mieu – Quoc Tu Giam) is the country's first ever historical university. Teenagers often come here to **pray for** high results in their upcoming examinations. As Viet Nam is a Buddhism-oriented nation, its capital has also been the centre of Buddhism for centuries. In Ha Noi alone, there are about 600 temples and pagodas. It also has a big church in the city centre, a popular place for the few Christians living here. With a population of nearly eight million, the city is quite crowded. However, the public transportation is not **adequate**, so visitors find it hard to safely cross the roads. The city is packed with universities and enterprises, making it the top destination for higher education students and labour workers. Many people from rural areas reside in Ha Noi so that they can get well paid jobs. This makes the city become more crowded than ever before.

TEENS' SOURCES OF STRESS

1. In adolescence, teens experience so many physical and psychological changes that they may not know how to deal with. Many boys feel obsessed with their voice or appearance. Girls feel annoyed with unwanted spots on their faces.

2. As teens reach adolescence, they have more friends and come in contact with many more people. They now have to learn to interact socially and they may find it is not easy to adjust in the complicated world or to gain social acceptance.

3. Many teenagers start to have emotional feelings for another boy or girl, or feel the need to be loved. If a teen fails to get love from the one he/she likes or loves, they may find it is hard to get over the painful experience.

4. Pressures to do well academically can be a source of stress. If teens are academically strong, they can perform well. If not, they suffer from endless stress.

5. Being under pressures of a number of things, teenagers become constantly anxious. If they are unlucky to fail in anything, they may fall into the feeling of self-doubt and low self-esteem.
