

Reading GUACHINCHES

GUESS WHAT?

Choose the right option.

One of the best where to enjoy good homemade food.

These establishments have their in agriculturists and cattle dealers determining dates of the year to directly their products (especially when it came from malvasía) to the English buyer and later to the local .

Probably it has its origin in the expression "I'm watching!" /aim wachingye/ meaning, "I'm observing him" (indicating that the possible English buyer was prepared to , so the actions were closely watched).

Any premises or garage was perfect to wine, to serve meats cooking over hot coals or to other dishes from Canarian kitchens.

There are Guachinches in the north of the Island in Tenerife but the majority is located Icod of Vinos and Tacoronte-Acentejo.

Enjoy your meal!!!!
