Ex 4. Read the text and decide if the statements are True (T), False (F) or Not given (NG).

A new shopping mall is opening in Nam's neighborhood today. It is very different from the present shopping area. All the shops are under one roof. That will be very convenient, especially during the hot and humid summer months. Customers will shop in comfort and won't notice the weather. Air-conditioners, movie theaters, restaurants, and children's play area are available in the shopping mall as well.

Some people in the neighborhood, however, are not happy about the changes. The owners of the small stores on Tran Phu Street think the mall will take their business. Some of the goods in the new stores will be the same as the ones in the small shops, but the stores in the mall will offer a wider selection of products, some at cheaper prices.

Statements	T/F/NG
27. The mall is open six days a week.	
28. There are more than 50 stores in the mall.	
29. Everyone in the neighborhood is pleased with the new mall.	
30. It will be more comfortable to shop in the mall than in the present shopping area.	
31. The owners of the small stores on Tran Phu Street think the mall will take their business.
