I wish I was a girl of .....

Be the queen of the magazine

I'd drive ..... in a great big car

I'd see the .....as a great big dream

All night long you could ..... me scream

When you ..... all around you

Can you ..... the shape she's in

Know where I'm goin'

Can't ..... where I've been

Know ..... where I'm goin'

Goin' to the ..... of love

Gonna ..... my life all over again, yeah

Once I was ....., now I'm gettin' old

Once I was ....., babe, now I feel cold

Well I'm goin' overseas

Gonna grab me some of that gold
