### ARGUMENT

I've always had a feeling of 1\_\_\_\_\_ towards my older brother John because he always received more attention from our parents. There has always been some kind of 2\_\_\_\_\_ between us. And now that I'm more successful than he is in my job, he is 3\_\_\_\_\_ of me.

We've never actually had a real 4\_\_\_\_\_, just the occasional 5\_\_\_\_\_, but we've never got on well.

The problem is that his wife likes to make things worse. She's a real 6\_\_\_\_\_: a nasty, argumentative, quarrelsome, 7\_\_\_\_\_ woman. I often hear her 8\_\_\_\_\_ John continually to get a better job, a bigger house, a nicer car.
