

## Exercise 8

Look at the maps again. Then choose the correct words to complete the report. You will need to use some words more than once.

cafe	platforms	restaurant	shops	ticket office	toilets
------	-----------	------------	-------	---------------	---------

The maps show Shebdon Railway Station in 1998 and the present day. We can see that the station has been expanded, with significantly more facilities available to customers now compared with 1998. Firstly, the station has been developed and the number of \_\_\_\_\_ has increased.

In 1998, there were only four platforms but today there are seven. A \_\_\_\_\_ has been added between the new and old platforms and the number of \_\_\_\_\_ has grown, as there are now two shops situated next to the restaurant and the old shop has been removed. The \_\_\_\_\_ remains in the same place but has been extended and is now much larger.

The \_\_\_\_\_ has also stayed in roughly the same place, which is at the bottom of the old platforms. The \_\_\_\_\_ were previously in a separate building next to the platforms, but they have now disappeared. A new supermarket has been built at the bottom of the new \_\_\_\_\_.
