Living in urban areas can be convenient, but it also has its challenges. One of these challenges is \_\_\_\_\_, which can make it difficult to get around the city. High \_\_\_\_\_ can also make it difficult for people to afford to live in the city. To address these issues, some cities are trying to construct \_\_\_\_\_ and upgrade \_\_\_\_\_. They may also \_\_\_\_\_ on drivers as a way to discourage the use of private vehicles, which can contribute to traffic congestion. However, these measures can have negative consequences as well. For example, if people are unable to afford housing in the city, they may be forced to

move to less desirable areas. This can lead to a lack of work and leisure  
\_\_\_\_\_ and a variety of significant problems for those who are forced to  
leave the city.
