

## Activity: Song to practice Was or Were?

When you **was/were** mine  
I gave you all of my money  
Time after time  
You did me wrong  
And just like a train  
You let all my friends come over and eat  
And you **was/were** so strange  
You didn't have the decency to change the sheets

I know, that you're going with another guy  
I don't care, cause I love you baby that's no lie  
I love you more than I did when you **was/were** mine

When you **was/were** mine  
You **was/were** kinda sorta my best friend  
So I **was/were** blind  
I let you fool around  
I never cared

I never **was/were** the kind to make a fuss  
When he **was/were** there  
Sleeping in between the two of us  
I know, that you're going with another guy  
I don't care, cause I love you baby that's no lie  
I love you more than I did when you **was/were** mine

When you **was/were** mine  
You **was/were** all I ever wanted to do  
Now I spend my time  
Following him whenever he's with you  
I know that you're going with another guy  
I don't care, 'cause I love you baby that's no lie

I love you more than I did when you **was/were** mine
